Throughout this volume, you may think that we are using our own "creative editing" when it comes to official names and terminology. We'd just like to take the time to point out some of the official names that have appeared in the volumes so far.

United Nations Earth/New United Nations Earth – While the long-standing translation for "chikyuu renpou" (地球連邦) has been "Earth Federation," the terms dictionary has provided an official translation of the name. In the series, the acronym U.N.E. appeared, but it was never officially explained. This is the official name provided, and what will be utilized.

Rosa the 2nd, Rosa II, Rosa the 2nd, Rosa Rosa – One of the more contradictory items in this manga series is the name for the heroine of the story. Her "official" character name is **Rosa the 2nd**, yet Chapter 3 is titled as "**Fight! Rosa III**" as well as Chapter 14 "**Roza is surely alive!!**". Being that the official terms dictionary in the back of the book states "**Rosa Rosa**" as her ship name, we selected this to be her name for consistency.

Gaspa – The translation for "gasupa" (ガスパ), as provided on several fansites, was "officialized" as "Jasper." The mechanistic file in the back of the first volume has indicated that the romanization was incorrect. This was also confirmed in Volume 2's character and mechanic presentation page.

第1話「月よ我に力を!!」

The moon, give me the power!!

Once, there was a war...

The United Nations Earth and the Space Revolutionary Army had seven space wars, all of which inflicted fatal damage to mankind's birth-place... planet Earth.

As a result, a vast majority of mankind -- the lives of nearly ten billion people -- perished.

Fifteen years after the last war, the world finally began its reconstruction. However, man was still attached to war...

Although they started on the path to destruction again, tragedy was avoided again thanks to the power of young men who piloted Gundams.

And then peace was sustained between Earth and the space colonies...

AND THE 8TH SPACE WAR 9 YEARS AGO WAS NONE OTHER THAN GUNDAM X!
YEP! DIDN'T YOU KNOW? THE ONE THAT ENDED THE 7TH SPACE WAR 24 YEARS AGO...
IT CAN ALSO REMOTE-CONTROL UP TO 12 RIT MOBILE SUITS!!
AT FULL POWER, THE SATELLITE BEAM CANNON CAN DESTROY AN ENTIRE COLONY IN ONE SHOT.
UH HUH
YOU DON'T GET IT AT ALL, DO YOU RICK?
.....
OKAY, OKAY! I'LL GO NOW!
I'M STARVING, HAVE YOU FINISHED COOKING YET?

第3話「行けローザ Ⅲ世」

Fight! Rosa Ⅲ

Unfortunately, Kai mistook the Gaspa for a former enemy from the Space Revolutionary Army, losing control, and eventually even hurting Rick.
The Mirage was attacked by the Gaspa who, wanting to acquire the Gundam X, put Rick and his fellow Vultures in danger. But thanks to Kai, the threat was vanquished
WE HAVE SUCCESSFULLY RECOVERED THE GX.
GET KAI OUT OF THERE!!
ガコン
RICK, WILL HE BE OKAY?
WELL, KAI IS UNCONSCIOUS,
SO GET HIM OUT BEFORE HE WAKES UP!

AND THAT IS...

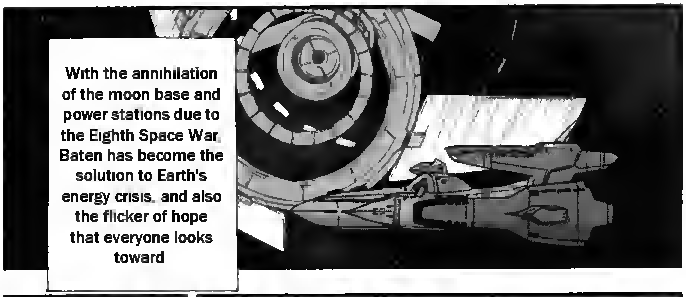
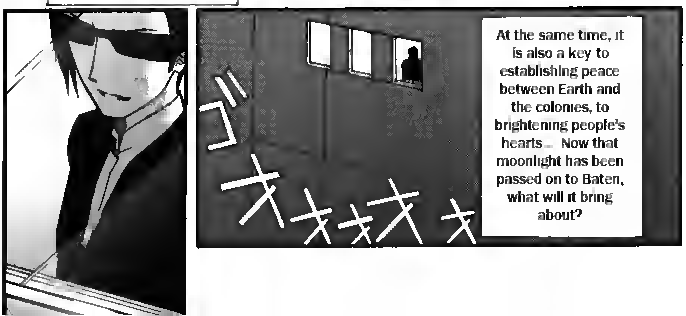
WE ARE RIGHTEOUS WARRIORS WHO FIGHT RUTHLESSLY!!
COME NEWTYPE WARRIOR...
!?
WOULD YOU LIKE TO JOIN US IN OUR QUEST TO DESTROY THE COLONIES?
"THE WAR IS A THING OF THE PAST"
LET'S SEE IF WHAT YOU SAID IS TRUE RICK

After it was discovered in A.W. 0022, it was placed in the hands of the governing council that was created by the treaty between the New United Nations Earth and the colonies, to be modified into a satellite power station...
The artificial satellite Baten... it was once a military satellite that was constructed as a relay station for the moon base's microwave weapon.

—— It is now A.W. 0024 ——

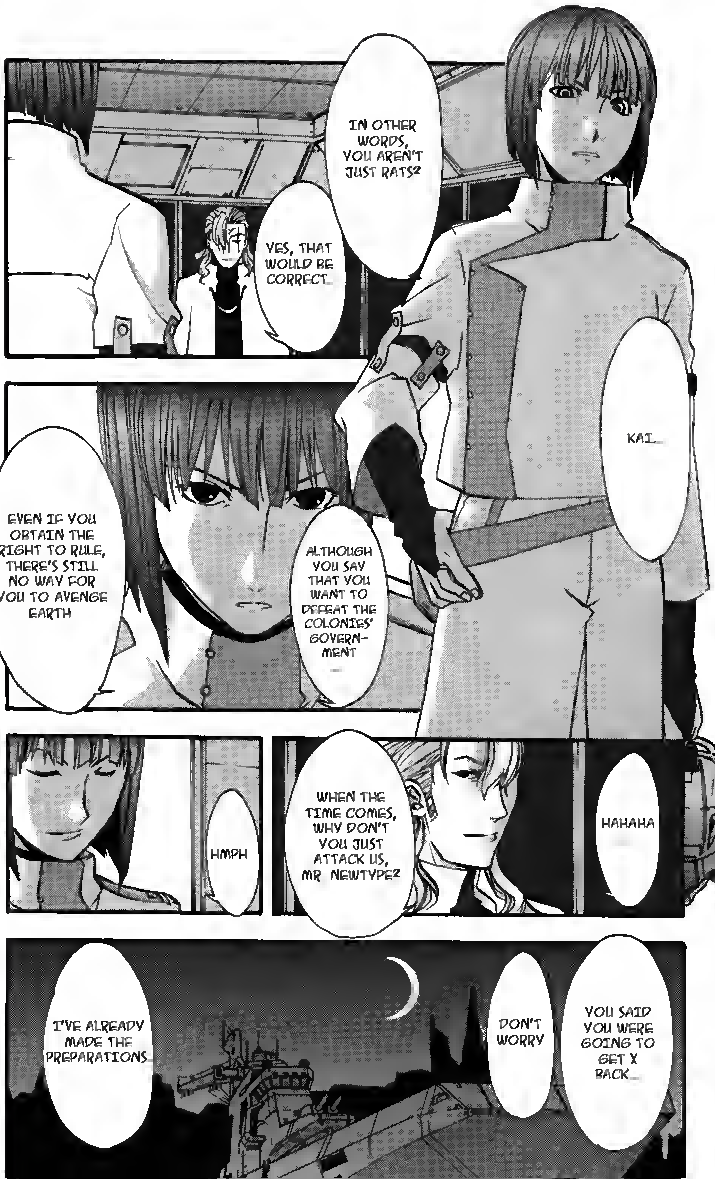


With the annihilation of the moon base and power stations due to the Eighth Space War, Baten has become the solution to Earth's energy crisis, and also the flicker of hope that everyone looks toward



ゴオォォォォ
At the same time, it is also a key to establishing peace between Earth and the colonies, to brightening people's hearts... Now that moonlight has been passed on to Baten, what will it bring about?

GOOD WORK.
GETTING THROUGH TO THE NEWTYPE WAS QUITE EASY... HOWEVER, THE GUNDAM X ESCAPED.
THEN YOU HAVE TO HURRY! IT'S NOT EASY, COVERING THE EYES OF THE GOVERNING COUNCIL.
HMPH, UNDERSTOOD. LEAVE IT TO ME!
WE MUST RESTORE THE SATELLITE SYSTEM TO ITS ORIGINAL STATE!
IT WON'T BE A PROBLEM.
GOOD LUCK... UNTIL NEXT TIME.
I SEE... I NEVER KNEW THAT YOU GUYS EVEN HAD CONTROL OVER THE SATELLITE SYSTEM.



IN OTHER WORDS, YOU AREN'T JUST RATS?
YES, THAT WOULD BE CORRECT...
KAI...
EVEN IF YOU OBTAIN THE RIGHT TO RULE, THERE'S STILL NO WAY FOR YOU TO AVENGE EARTH
ALTHOUGH YOU SAY THAT YOU WANT TO DEFEAT THE COLONIES' GOVERNMENT
HMPH
WHEN THE TIME COMES, WHY DON'T YOU JUST ATTACK US, MR NEWTYPE?
HAHAHA
I'VE ALREADY MADE THE PREPARATIONS...
DON'T WORRY
YOU SAID YOU WERE GOING TO GET X BACK...

THERE ARE OTHER MATTERS YOU MUST TEND TO

THAT'S TRUE...
BUT EVEN IF I WENT UP, IT WOULD BE MEAN-INGLESS WITHOUT THE X.
WE ALREADY KNOW WHERE THEY ARE. ALL WE HAVE TO DO NOW IS...
GIVE THIS JOB TO SOMEONE MORE CAPABLE...

YOU'VE MET THAT GUY VARIOUS TIMES.

WHAT'D YOU SAY, YOU CHIMNEY HEAD!?
CHIMNEY?
JUST HOW LONG ARE YOU PLANNING ON TAGGING ALONG WITH US?

WE WOULDN'T HAVE BEEN ATTACKED BY THOSE GUYS!!
ANYWAY, YOU AND I ARE...
THERE'S NOTHING BAD ABOUT IT!
HUH?
I'VE... DECIDED WHAT TO DO.
WE'RE GOING TO FIND THE MIRAGE'S CREW!!
RICK!!
I DON'T THINK EVERYONE DIED... RIGHT?
THESE GUYS... WERE THE SAME AS WE ARE, JUST LIKE SCATTERED SAND ON THE SAME BEACH.
WE WON, BUT IF THIS CONTINUES, THERE WILL BE A DAY WHEN...
WE'LL NEED TO EXTEND A HAND TO OUR COMRADES!! ARE YOU WILLING TO HELP US?!

OH WELL, SINCE RICK SAID SO
YOU HEARD HIM! HE NEEDS COMRADES!
THANKS WELL THEN, LET'S BEGIN!!
WE'RE HEADING OUT!!

Zeonic-Corps Scanlations
Continuation of Under the Moonlight?

We hoped you enjoyed reading the first volume of the Gundam X Under the Moonlight manga series, but unfortunately it will be the first and last volume that Zeonic-Corps will release for this series. As it stands, we no longer have a translator for this series. As much as this sounds like an excuse, we honestly wish that it was. Unfortunately it isn't.

So, why would we start a series if there was no chance in continuing it? Well, this was one of the other manga that was featured in our 'voters poll' so we thought that we'd scanlate as much of it we could before our resources became tapped. If anyone is interested in continuing this project for us, please contact us.
